Bill Perfect, Inc. Joins COMPTEL

HUNTERSVILLE, NC and WASHINGTON, D.C. – Bill Perfect, Inc. today announced that it has become a member of COMPTEL, the leading trade association advocating for competitive networks and competitive communications policy.

Bill Perfect’s CEO Michael Lates says, “Joining COMPTEL will offer new and exciting opportunities that will help us succeed in today’s communications marketplace.”

For more than three decades, COMPTEL has been the preeminent advocate for competition. With an increasingly diverse membership, COMPTEL is now the only trade association that effectively represents the needs of companies using every type of network, platform and technology to deliver communications services. COMPTEL service provider and supplier members are catalysts for creating economic growth and improving the quality of life of all consumers through technological innovation, new services, affordable prices and greater choice. These entrepreneurial companies offer a wide array of broadband voice, video, Internet and data offerings, using both wireline (copper/fiber) and wireless networks to reach their customers. For more information about COMPTEL, visit www.comptel.org or call 202-296-6650.

About Bill Perfect:

Bill Perfect develops, markets and integrates the award winning TimelyBill Billing & OSS. TimelyBill is a hosted enterprise level billing and operations support system for communications service providers. Whether you are looking at VoIP, Triple Play or Quad Play, TimelyBill's single stack solution was built to meet all of your back office needs. For more information, visit www.timelybill.com or follow us on Twitter @TimelyBill.

About COMPTEL

Based in Washington, D.C., COMPTEL is the leading industry association advocating for competitive networks and competitive communications policy. COMPTEL members are entrepreneurial companies driving technological innovation and creating economic growth through competitive voice, video, and data offerings and the development and deployment of next-generation, IP-based networks and services. COMPTEL advances its members’ interests through trade shows, networking, education, and policy advocacy before Congress, the Federal Communications Commission and the courts. COMPTEL works to ensure that competitive communications providers can continue to offer lower prices, better service, and greater innovation to consumers. For more information, visit www.comptel.org or follow us on Twitter @COMPTEL.
